Peter,

As you will read, the letter is similar to StarKist...except COS does not recover the oil from the press liquor. I am going to call Jim and find out more.

Carl

Please see attached file with letter regarding request for temporary operation while waiting for sludge boat repair during week of Jan 6 thru Jan 12.

I will send this letter in hard copy to you signed by me as well.

If you are agreeable, then please advise monitoring plan if different than we do now. Thanks again for your cooperation.

I will be out of the office until next Monday.
